

# Pre-enrol your child

## For the 2026–27 school year

Whether your child is enrolling at the same school or changing schools, all students need to pre-enrol. Knowing how many students to expect helps schools prepare for next year.

### Your options

#### Select your child's designated school

You have a designated school in our Division if your child is a resident student (which typically means at least one parent or legal guardian lives in Edmonton and is not Roman Catholic). Visit [epsb.ca/fast](https://epsb.ca/fast) and talk to your child's school to find your designated elementary, junior high or high school.

OR

#### Choose to continue at the same school

If your child is continuing at the same school or program, you still need to pre-enrol.

OR

#### Select any other Division school

The school must have available space, and your child must meet the school's **entrance criteria** (if applicable).

**Online learning** – If you want your child to learn online, pre-enrol at **Argyll Centre**.

### Pre-enrol in SchoolZone by 4 p.m. on March 25

What to do	How	When

### Registering new students

Students who are **new to Edmonton Public Schools** need to submit a completed student registration form.

Find the form and a list of documents we need to confirm your address and your child's legal name at [epsb.ca/schools/register/newstudentregistration](https://epsb.ca/schools/register/newstudentregistration).
